THE BLACK AND GREEN ANARCHIST INFOSHOP

will be closed the weekend of the 1st, 2nd 3rd of Feb for the Live and Let DIY fest (see you there!).

However, we will have a stall at the Zine Fair on Sunday, and then will be opening on Monday, especially for folks lingering in Brisbane after the fest that want to check the Infoshop out, from 11AM to 7PM, and then at 7PM will be having a film screening. The vegan cafe will also be running all day - tea, coffee and vegan treats (while stocks last!)
